

Ethics Bowl Registration Form

The APTC Student Subcommittee of the SHA, aided by the Ethics Committee, is sponsoring its own Ethics Bowl. Undergraduate and graduate students are encouraged to participate in fun rounds of friendly competition. Teams will be given cases in advance and winners selected based on team solutions to ethical problems. They will be scored on clarity, depth, focus, and judgment in their responses.

Registration is open until December 7th. Individual students can sign up and we will coordinate teams, or students are welcome to form their own teams – *teams are composed of four students and need to include a minimum of one undergraduate and one graduate.* Simply fill in this form (if you are registering as an individual student, only use Name (1); if you are registering as a team, the Name (1) should be a graduate student and leader of the team) and email the completed form to SHAethicsbowl@gmail.com. Teams will be accepted on a first-come first-served basis.
