

## **Z Logos**

Bill Lockhart

We have only discovered three logos beginning with the letter “Z.” One was a flask embossed “ZANESVILLE / GLASS WORKS” on the side. We discussed the mark – used during the 1852-1875 period – in the Kearns Gorsuch section. Also in that section was an export beer bottle base embossed “ZKH&CO” – a garbled set of initials for Kearns, Herdman & Gorsuch from 1868-1886. A final English food bottle had base embossed “Z / CB” (with the “Z” actually a symbol that looks similar to the letter). This was used by the Kilner Brothers Glass Co. from ca. 1857-1900.
